

SEMA Insurance

SEMA Insurance is an innovative risk solutions specialty firm dedicated to delivering client driven risk management services.

As one of the largest independent specialty brokers we can help identify and quantify risks and bring them under control. Our staff can create and implement customized solutions employing the most effective blend of risk mitigation, risk transfer, and advanced risk assessment. SEMA clients are accustomed to broad spectrum solutions that go beyond traditional insurance programs to encompass strategies that can help enhance a firm's financials and strengthen security and provide long term stability in uncertain times.

Our Industry Specialties:

- Aviation & Aerospace
- Ocean Marine

SEMA Insurance has access to all leading insurers in the domestic and internationally markets.

South Florida based broker, SEMA Insurance, was founded nearly twenty years ago by Al Mason an insurance professional with excess of 20 years experience in the industry. SEMA Insurance benefits from long standing relationships with key trading partners. Among our exclusive trading partners is the Jardine Lloyd Thompson Group PLC. The Jardine Lloyd Thompson group of companies (JLT) is a leading risk management adviser and insurance/reinsurance broker. JLT is quoted on the London Stock Exchange and is among the largest European-headquartered companies providing insurance services in the world. The SEMA Insurance facilities in South Florida serve as the JLT Miami offices.

Our focus at SEMA Insurance is to build a national specialist broker with the capabilities and resources to compete against the giant global broking firms.
